

YEAR 5 – GENERAL QUESTIONNAIRE (Supercurriculum)

About You

What is your name?

Short text.

How old are you?

9

10

11

Which class are you in?

Year 5A

Year 5B

Year 5C

Other

What languages do you speak at home?

English

Greek

Chinese

Hindu

Albanian

Arabic

Russian

Other

How You Learn

How do you like to learn new things?

Watching videos

Reading short texts

Doing hands-on activities

Listening to explanations

Working with a friend

Working on my own

What helps you understand difficult ideas?

Step-by-step examples

Pictures and diagrams

Trying it myself

Hearing an explanation

Doing quizzes

What makes learning hard for you sometimes?

Long texts

Fast explanations

Too much information

Remembering details

Staying focused

What You Enjoy

Which subjects do you like the most? (Choose up to 3)

English

Maths

Science

History

Geography

Art

Music

PE

Computing

Which subjects feel a bit difficult? (Choose up to 3)

English

Maths

Science

History

Geography

Art

Music

PE

Computing

Study Preferences

When do you prefer to do Supercurriculum tasks?

After school

Evening

Weekends

A little every day

Only when I have extra time

How long can you study without getting tired?

5 minutes

10 minutes

15 minutes

20 minutes

More than 20 minutes

What type of tasks do you enjoy most?

Creative activities

Reading tasks

Problem-solving tasks

Experiments

Quizzes and challenges

Do you prefer tasks that are...

Easy and quick

Medium difficulty

A bit challenging

Your Study Time

How many days per week can you do Supercurriculum tasks?

1 day

2 days

3 days

4-5 days

How much time do you have on those days?

5-10 minutes

10-15 minutes

15-20 minutes

20-30 minutes

Your Learning Goals

What do you want to get better at this year?

Reading

Writing

Maths

Science

Thinking skills

Creativity
Confidence

How would you like your AI Tutor to help you?

Easy steps
Fun challenges
Help with difficult ideas
Project ideas
Short explanations

YEAR 6 – GENERAL QUESTIONNAIRE (Supercurriculum)

ABOUT YOU

What is your name?
Short text.

How old are you?

10
11
12

Which class are you in?

Year 6A
Year 6B
Year 6C
Other

What languages do you speak at home? (You can choose more than one.)

English
Chinese
Hindu
Greek
Albanian
Arabic
Russian
Other

HOW YOU LEARN

How do you like to learn new things?

Watching videos
Reading short texts
Doing hands-on activities
Listening to explanations
Working with a friend
Working on my own

What helps you understand something that is difficult?

Clear step-by-step examples
Pictures and diagrams
Trying it myself first
Hearing the teacher or tutor explain it
Doing practice questions and quizzes

What sometimes makes learning harder for you?

Very long texts
Explanations that are too fast
Too many things at the same time
Remembering facts and details
Staying focused for a long time

When you don't understand something the first time, what do you prefer?

Try again on my own
Get a short hint
Get a full explanation
See another example
Ask someone for help

WHAT YOU ENJOY

Which subjects do you enjoy the most? (Choose up to 3.)

English
Maths
Science
History
Geography
Art
Music
PE
Computing / ICT

Which subjects feel more difficult for you? (Choose up to 3.)

English

Maths

Science

History

Geography

Art

Music

PE

Computing / ICT

What kind of activities do you enjoy most?

Creative tasks (drawing, designing, storytelling)

Reading and researching

Solving puzzles and problems

Science experiments and investigations

Projects and presentations

Games and quizzes

STUDY PREFERENCES

When do you prefer to do Supercurriculum tasks?

Right after school

Early evening

Later in the evening

At the weekend

A little bit every day

How long can you usually work before you need a break?

5–10 minutes

10–15 minutes

15–20 minutes

20–30 minutes

More than 30 minutes

What task length do you prefer for most activities?

Very short (can finish in one go, under 10 minutes)

Short (about 10–15 minutes)

Medium (about 20 minutes)

Longer projects (more than one day)

What challenge level do you like?

Easy, so I feel comfortable

Medium, so I can do it with a bit of effort

Challenging, so I really have to think
A mix of easy, medium and hard

How do you feel about homework and extra tasks?

I like doing extra tasks

I don't mind extra tasks if they are interesting

I prefer only a small amount of extra work

I only want extra tasks when needed

YOUR STUDY TIME

How many days per week can you do Supercurriculum tasks?

1 day

2 days

3 days

4 days

5 or more days

On those days, how much time do you have for Supercurriculum?

5–10 minutes

10–15 minutes

15–20 minutes

20–30 minutes

More than 30 minutes

Where do you usually study or do your homework?

At a desk in my room

In the living room

At the kitchen table

At a study centre or library

Somewhere else

YOUR GOALS AND MOTIVATION

What do you most want to improve this year?

Reading

Writing

Spelling and vocabulary

Maths

Science

Thinking and problem-solving

Confidence when answering questions

Organising my work and time

Why do you want to use the Supercurriculum AI Tutor?

To get better marks in school

To understand the lessons more clearly

To explore new and interesting topics

To get extra practice in difficult subjects

Because I like using technology to learn

How would you like your AI Tutor to help you?

Give me clear, simple explanations

Show me worked examples

Give me short quizzes to check my learning

Suggest fun projects and activities

Help me revise for tests

How do you feel when work is a bit too hard?

I feel stressed and want to stop

I feel worried but I try a little longer

I ask for help quickly

I like the challenge and keep trying

How do you feel when work is too easy?

I feel bored

I feel happy because it is quick

I want something more challenging

I don't mind, as long as I finish fast

YEAR 7 – GENERAL QUESTIONNAIRE (Supercurriculum)

ABOUT YOU

What is your name?

Short text.

How old are you?

11

12

13

Which class are you in?

Year 7A

Year 7B

Year 7C
Other

What languages do you speak at home? (You can choose more than one.)

English
Chinese
Hindu
Greek
Albanian
Arabic
Russian
Other

How confident do you feel about starting secondary school?

Very confident
Quite confident
A bit nervous
Very nervous

HOW YOU LEARN

How do you like to learn new things?

Watching videos
Reading texts or articles
Doing practical or hands-on activities
Listening to explanations
Working with a partner or group
Working on my own

What helps you understand something that is difficult?

Clear step-by-step explanations
Pictures, diagrams and mind maps
Trying it myself with examples
Hearing it more than once
Doing practice questions and quizzes

What sometimes makes learning harder for you?

Very long texts
Explanations that are too fast
Too many tasks at the same time

Remembering information for a long time
Staying focused and not getting distracted

When you don't understand something the first time, what do you prefer?

Try again on my own first
Get a small hint or clue
See another example
Get a full explanation
Ask for help from a teacher or friend

WHAT YOU ENJOY

Which subjects do you enjoy the most? (Choose up to 3.)

English
Maths
Science
History
Geography
Art
Music
PE
Computing / ICT
Modern Foreign Languages (for example, French, Spanish, other)

Which subjects do you find more difficult? (Choose up to 3.)

English
Maths
Science
History
Geography
Art
Music
PE
Computing / ICT
Modern Foreign Languages

What kind of activities do you enjoy most?

Creative work (drawing, designing, writing stories)
Reading and researching new topics
Solving problems and puzzles
Science experiments and investigations
Projects and presentations
Games and quizzes

How do you feel about group work?
I like working in groups
I sometimes like group work, sometimes not
I prefer working with just one partner
I prefer working alone

STUDY PREFERENCES

When do you prefer to do Supercurriculum tasks?
Right after school
Early evening
Later in the evening
At the weekend
A little bit every day

How long can you usually work before you need a break?
5–10 minutes
10–15 minutes
15–20 minutes
20–30 minutes
More than 30 minutes

What task length do you prefer for most activities?
Very short (finish in one go, under 10 minutes)
Short (about 10–15 minutes)
Medium (about 20–25 minutes)
Longer projects (spread over a few days)

What challenge level do you like best?
Mostly easy, so I feel comfortable
Medium, so I need to think a bit
Quite challenging, so I really have to try
A mix of easy, medium and hard tasks

How do you prefer your AI Tutor to explain things?
In very short, simple steps
In a medium-length explanation
In a full, detailed explanation

With examples and models
With questions that make me think

YOUR STUDY TIME

How many days per week can you do Supercurriculum tasks?

- 1 day
- 2 days
- 3 days
- 4 days
- 5 or more days

On those days, how much time do you have for Supercurriculum?

- 5–10 minutes
- 10–15 minutes
- 15–20 minutes
- 20–30 minutes
- More than 30 minutes

Where do you usually study or do your homework?

- In my bedroom
- In the living room
- At the kitchen table
- At a study centre or library
- Different places

How often do you have access to a computer, tablet, or phone for studying?

- Every day
- Most days
- Only some days
- Hardly ever

YOUR GOALS AND MOTIVATION

What do you most want to improve this year? (Choose up to 3.)

Reading and understanding texts

Writing and spelling

Vocabulary and grammar

Maths skills

Science understanding

Thinking and problem-solving

Organisation and time management

Confidence when speaking or answering questions

Why do you want to use the Supercurriculum AI Tutor?

To get better marks at school

To understand lessons more clearly

To explore extra topics I find interesting

To get more practice in difficult subjects

To help me prepare for tests and exams

What kind of support do you want most from your AI Tutor?

Clear explanations

Worked examples

Short quizzes to check my learning

Revision tips and strategies

Ideas for projects and extra activities

How do you feel when schoolwork is too hard?

I feel stressed and want to stop

I feel worried but try a bit more

I ask for help quite quickly

I like the challenge and keep trying

How do you feel when schoolwork is too easy?

I feel bored and lose interest

I feel happy because it is quick

I want harder challenges

I don't mind, as long as I finish fast

How motivated do you feel to improve your learning this year?

Very motivated

Quite motivated

A little bit motivated

Not very motivated

YEAR 8 – GENERAL QUESTIONNAIRE (Supercurriculum)

ABOUT YOU

What is your name?

Short text.

How old are you?

12

13

14

Which class are you in?

Year 8A

Year 8B

Year 8C

Other

What languages do you speak at home? (Choose more than one if you want.)

English

Chinese

Hindu

Greek

Albanian

Arabic

Russian

Other

How confident do you feel about your learning this year?

Very confident

Quite confident

A bit unsure

Not confident

HOW YOU LEARN

How do you learn best?

Watching videos

Reading explanations and texts

Doing hands-on or practical work

Listening to a teacher or tutor

Working with a friend or partner

Working alone

What helps you understand difficult ideas?

Clear steps and examples

Visuals (pictures, diagrams, charts)

Trying it myself

Hearing explanations more than once

Practice questions and quizzes

What makes learning harder for you sometimes?

Long or complicated texts

Explanations that are too fast

A lot of information at once

Remembering details

Getting distracted

When you don't understand something, what do you want the AI Tutor to do first?

Give me a hint

Show me another example

Explain it in a simpler way

Give me a full, detailed explanation

Ask a question to help me think

How do you feel about working in groups?

I enjoy group work

I don't mind group work

I prefer pairs

I prefer working alone

WHAT YOU ENJOY

Which subjects do you enjoy most? (Choose up to 3.)

English

Maths

Science

History

Geography

Art

Music

PE

Computing / ICT

Modern Foreign Languages (French, Spanish, other)

Which subjects do you find more difficult? (Choose up to 3.)

English

Maths

Science

History

Geography

Art

Music

PE

Computing / ICT

Modern Foreign Languages

Which activity types do you enjoy most?

Creative activities (art, writing, design)

Reading and researching

Solving problems and puzzles

Experiments and investigations

Making presentations

Games and quizzes

What kind of tasks do you like the most?

Short tasks

Medium tasks

Longer projects

A mix of different task lengths

STUDY PREFERENCES

When do you prefer to do Supercurriculum tasks?

After school

Early evening

Late evening

Weekends

A little each day

How long can you usually work before needing a break?

10 minutes

15 minutes

20 minutes

25–30 minutes

More than 30 minutes

How challenging do you want tasks to be?

Easy

Medium

Challenging

A mix of all levels

What kind of explanation helps you most?

Very short explanation

Medium explanation

Full explanation

Explanation with diagrams

Explanation with examples

How do you prefer the AI Tutor to correct your mistakes?
Tell me the correct answer
Give me a clue so I find the answer
Show me what I did wrong
Ask me to try again

YOUR STUDY TIME

How many days per week can you do Supercurriculum activities?

1 day
2 days
3 days
4 days
5 or more days

On those days, how much time do you have?

5–10 minutes
10–15 minutes
15–20 minutes
20–30 minutes
More than 30 minutes

Where do you usually study?

Bedroom
Living room
Kitchen table
Library / study centre
Different places

Do you usually have access to a computer or tablet for learning?

Every day
Most days

Some days
Rarely

YOUR GOALS AND MOTIVATION

What do you want to improve this year? (Choose up to 3.)

Reading comprehension
Writing and vocabulary
Spelling and grammar
Maths skills
Science understanding
Thinking and problem-solving
Organisation and time management
Confidence when speaking in class

Why do you want to use the AI Tutor?

To improve my grades
To understand lessons better
To explore interesting topics
To practise difficult subjects
To help me revise for tests

What type of help do you want the most?

Clear explanations

Worked examples
Short quizzes
Revision strategies
Project ideas

How do you feel when the work is too hard?
I feel stressed
I feel worried but try
I ask for help
I try harder because I like a challenge

How do you feel when work is too easy?
I get bored
I feel fine
I want harder tasks
I finish quickly and move on

How motivated do you feel this year?
Very motivated
Quite motivated
A little motivated
Not motivated

YEAR 9 – GENERAL QUESTIONNAIRE (Supercurriculum)

ABOUT YOU

What is your name?
Short text.

How old are you?
13
14
15

Which class are you in?
Year 9A
Year 9B
Year 9C
Other

What languages do you speak at home? (You can choose more than one.)

English

Greek

Albanian

Arabic

Russian

Other

How confident do you feel about your learning this year?

Very confident

Quite confident

A bit unsure

Not confident

HOW YOU LEARN

How do you usually learn best?

Watching videos or animations

Reading texts and notes

Doing practical or hands-on tasks

Listening to explanations or podcasts

Working with a partner or group

Working on my own in a quiet place

What helps you understand difficult ideas?

Step-by-step explanations

Visuals (pictures, diagrams, graphs, mind maps)

Trying problems myself with hints

Hearing it explained in different ways
Practice questions and quizzes

What makes learning harder for you sometimes?

Very long or dense texts
Explanations that are too fast
Too much information at once
Remembering facts and formulas
Getting distracted or losing focus

When you don't understand something, what do you prefer the AI Tutor to do?

Give me a small hint
Show me a similar example
Explain it in simpler words
Give a full, detailed explanation
Ask me guiding questions

How do you feel about working with others?

I like group work
I prefer working in pairs
I prefer working alone
It depends on the task

WHAT YOU ENJOY

Which subjects do you enjoy most? (Choose up to 3.)

English
Maths
Biology
Chemistry
Physics
History
Geography
Art

Music
PE
Computing / ICT

What kinds of activities do you enjoy most?

Creative tasks (art, design, creative writing)
Reading and researching topics in depth
Solving puzzles and complex problems
Experiments, investigations and projects
Presentations and discussions
Games, quizzes and competitions

What kind of tasks do you like for the Supercurriculum?

Short, focused tasks
Medium-length tasks
Longer projects over several days
A mix of short, medium and long tasks

STUDY PREFERENCES

When do you prefer to do Supercurriculum tasks?

Right after school
Early evening
Late evening
Weekends
A little bit each day

How long can you usually concentrate before you need a break?

10 minutes

15 minutes

20 minutes

25–30 minutes

More than 30 minutes

How challenging do you want most tasks to be?

Mostly easy, to build confidence

Medium, so I need to think but can manage

Challenging, so I really have to try

A mix of easy, medium and hard tasks

What type of explanation helps you the most?

Very short summary

Medium explanation

Full, detailed explanation

Explanation with diagrams and visuals

Explanation with worked examples

How do you prefer the AI Tutor to handle your mistakes?

Show the correct answer immediately

Give a hint so I can correct it myself

Show where I went wrong, then let me retry

Ask questions to guide me to the right answer

YOUR STUDY TIME

How many days per week can you do Supercurriculum work?

1 day

2 days

3 days

4 days

5 or more days

On those days, how much time do you have for Supercurriculum?

5–10 minutes

10–15 minutes

15–20 minutes

20–30 minutes

More than 30 minutes

Where do you usually study or do homework?

In my bedroom

In the living room

At the kitchen table

At a study centre or library

Different places

How often do you have access to a computer, tablet, or phone for studying?

Every day

Most days

Some days

Rarely

YOUR GOALS AND MOTIVATION

What do you most want to improve this year? (Choose up to 3.)

Reading and understanding complex texts

Writing (essays, paragraphs, structure)

Vocabulary, spelling and grammar

Algebra and problem-solving in Maths

Science understanding and application

Exam and test skills

Organisation and time management

Confidence when speaking or presenting

Why do you want to use the Supercurriculum AI Tutor?

To improve my grades

To understand class topics better

To explore extra topics that interest me

To get extra practice in difficult subjects

To prepare for future exams (IGCSE / GCSE)

What kind of support do you want most from your AI Tutor?

Clear explanations of new ideas

Worked examples with steps

Short quizzes and quick checks

Revision plans and strategies

Ideas for extension and enrichment tasks

How do you feel when work is too difficult?

I feel stressed and want to give up

I feel worried but keep trying

I ask for help from someone

I like the challenge and keep going

How do you feel when work is too easy?

I get bored and lose interest

I feel okay, it is relaxing

I want something more challenging

I finish quickly and move on

How motivated do you feel about improving your learning this year?

Very motivated

Quite motivated

A little motivated

Not very motivated

YEAR 10 – GENERAL QUESTIONNAIRE (Supercurriculum)

ABOUT YOU

What is your name?

Short text.

How old are you?

14

15

16

Which class are you in?

Year 10A

Year 10B

Year 10C

Other

What languages do you speak at home? (You can choose more than one.)

English

Chinese

Hindu

Greek

Albanian

Arabic

Russian

Other

How confident do you feel about starting your GCSE / IGCSE courses?

Very confident

Quite confident

A bit unsure

Not confident

HOW YOU LEARN

How do you usually learn best?

Watching videos or tutorials

Reading notes, textbooks or articles

Doing practice questions and past papers

Listening to explanations (teacher, audio, podcasts)

Working with a partner or group

Working alone in a quiet place

What helps you understand difficult ideas?

Clear, step-by-step explanations

Visuals (diagrams, charts, mind maps)

Trying questions myself with hints

Hearing different examples of the same idea

Practice questions and quizzes with feedback

What makes learning harder for you sometimes?

Long or very dense texts

Fast explanations with little time to think

Too many topics at the same time

Remembering formulas, facts or definitions

Getting distracted or losing focus

When you don't understand something, what do you prefer the AI Tutor to do first?

Give me a small hint

Show me a similar worked example

Explain it in simpler language

Give a full, detailed explanation

Ask guiding questions to help me think

How do you feel about working with others on schoolwork?

I like group work

I prefer working in pairs

I prefer working alone

It depends on the task and people

WHAT YOU ENJOY

Which subjects do you enjoy most? (Choose up to 3.)

English Language

English Literature

Mathematics

Biology

Chemistry

Physics

History

Geography

Business or Economics

Art or Design

Music

PE

Computing / ICT

Modern Foreign Languages

History

Geography

Business or Economics

Art or Design

Music

PE

Computing / ICT

Modern Foreign Languages

What kinds of activities do you enjoy most in your learning?

Creative tasks (design, projects, presentations, writing)

Research and reading about topics in depth

Problem-solving and challenging questions
Experiments and investigations
Discussions and debates
Quizzes, games and timed challenges

What kind of tasks do you prefer for Supercurriculum?
Short, focused tasks (quick wins)
Medium-length tasks (around 20 minutes)
Longer projects over several days or weeks
A mix of short, medium and long tasks

STUDY PREFERENCES

When do you prefer to do Supercurriculum and extra study?
Right after school
Early evening
Late evening
Weekends
A little bit each day

How long can you usually concentrate before needing a break?
10 minutes
15 minutes
20 minutes
25–30 minutes
More than 30 minutes

How challenging do you want most tasks to be?
Mostly easy, to build confidence
Medium difficulty, so I need to think but can manage
Quite challenging, so I really have to work hard
A mix of easy, medium and hard tasks

What type of explanation helps you the most?
Very short summary
Medium explanation with key points
Full, detailed explanation
Explanation with diagrams and visuals
Explanation with worked examples and model answers

How do you prefer the AI Tutor to handle your mistakes?
Show me the correct answer immediately
Give me a hint so I can fix it myself
Show me where I went wrong, then let me try again
Ask questions to guide me to the correct answer

YOUR STUDY TIME

How many days per week can you realistically do Supercurriculum work?

1 day

2 days

3 days

4 days

5 or more days

On those days, how much time do you usually have for Supercurriculum?

5–10 minutes

10–15 minutes

15–20 minutes

20–30 minutes

More than 30 minutes

Where do you usually study or revise?

In my bedroom

In the living room

At the kitchen table

At a library or study centre

Different places

How often do you have access to a computer, tablet or phone for study?

Every day

Most days

Some days

Rarely

How often do you already do extra work beyond normal homework?

Almost every day

A few times a week

About once a week
Rarely or never

YOUR GOALS AND MOTIVATION

What do you most want to improve this year? (Choose up to 3.)

Reading and understanding more complex texts
Writing (essays, structure, exam-style answers)
Vocabulary, spelling and grammar
Mathematical problem-solving and algebra
Science understanding and application
Exam and test skills (timing, technique)
Organisation, planning and time management
Confidence when speaking or presenting

Why do you want to use the Supercurriculum AI Tutor?

To improve my grades in key subjects
To understand topics more deeply
To explore extra topics and challenges
To get more practice in areas I find difficult
To prepare early for exams

What kind of support do you want most from your AI Tutor?

Clear explanations of new and hard ideas
Worked examples with each step explained
Short quizzes to check understanding
Revision plans and exam strategies
Extension and enrichment activities beyond the syllabus

How do you feel when work is very difficult?

I feel stressed and want to give up
I feel worried but keep trying for a while

I ask for help from someone
I like the challenge and keep pushing

How do you feel when work is very easy?
I get bored and lose interest
I feel relaxed and happy
I want something more challenging
I just finish quickly and move on

How motivated do you feel about improving your learning and exam results this year?

Very motivated
Quite motivated
A little motivated
Not very motivated

YEAR 11 – GENERAL QUESTIONNAIRE (Supercurriculum)

ABOUT YOU

What is your name?
Short text.

How old are you?
15
16
17

Which class are you in?
Year 11A
Year 11B
Year 11C
Other

What languages do you speak at home? (Choose more than one if needed.)
English
Greek
Albanian
Arabic
Russian
Other

How confident do you feel about your GCSE / IGCSE exams this year?

Very confident

Quite confident

A bit unsure

Not confident

HOW YOU LEARN

How do you learn best?

Watching videos or tutorials

Reading notes, textbooks or revision guides

Doing practice questions and past papers

Listening to explanations (teacher, audio, podcasts)

Working with a friend or study partner

Working alone in a quiet place

What helps you understand difficult content?

Clear, step-by-step explanations

Diagrams, tables, charts and mind maps

Trying questions myself with guided hints

Hearing it explained in different ways

Practice questions and quizzes with feedback

What makes learning difficult for you sometimes?

Long or complicated texts

Fast explanations with little time to process

Too much information at once

Remembering formulas, facts or definitions
Getting distracted or losing focus

When you do not understand something, what do you prefer the AI Tutor to do first?

Give me a small hint
Show me a similar worked example
Explain it in simpler language
Give a full, detailed explanation
Ask me guiding questions

How do you feel about working with others?

I like working in groups
I prefer working in pairs
I prefer working alone
It depends on the topic and task

WHAT YOU ENJOY

Which subjects do you enjoy most? (Choose up to 3.)

English Language
English Literature
Mathematics
Biology
Chemistry
Physics
History
Geography
Business
Economics
Computer Science
Art or Design
Music

PE
Modern Foreign Languages

Which subjects do you find most challenging? (Choose up to 3.)

English Language
English Literature
Mathematics
Biology
Chemistry
Physics
History
Geography
Business
Economics
Computer Science
Art or Design
Music
PE
Modern Foreign Languages

What kinds of activities do you enjoy most?
Creative tasks (design, writing, presentations)
Research and independent study
Problem-solving and challenging questions
Experiments, investigations and projects
Debates and discussions
Quizzes, games and competitions

What kind of tasks do you prefer for Supercurriculum?

Short, focused tasks
Medium-length tasks
Longer projects over several days or weeks
A mix of different task lengths

STUDY PREFERENCES

When do you prefer to do Supercurriculum tasks?

After school
Early evening
Late evening
Weekends
A little bit each day

How long can you usually concentrate before needing a break?

10 minutes

15 minutes

20 minutes

25–30 minutes

More than 30 minutes

How challenging do you want tasks to be?

Mostly easy, to build confidence

Medium difficulty, manageable but with effort

Quite challenging, to push myself

A mix of easy, medium and hard tasks

What type of explanation helps you most?

Very short summary

Medium explanation

Full, detailed explanation

Explanation with diagrams and visuals

Explanation with worked examples

How do you want the AI Tutor to handle your mistakes?

Show the correct answer

Give a hint so I can fix it myself

Show where I went wrong, then let me retry

Ask guiding questions to help me find the answer

How do you prefer the AI Tutor to guide your revision?

Daily small tasks

Weekly revision plan

Topic-based suggestions

Exam-paper-focused practice

Mixed strategy

YOUR STUDY TIME

How many days per week can you do Supercurriculum work?

1 day

2 days

3 days

4 days

5 or more days

On those days, how much time do you have available?

5–10 minutes

10–15 minutes

15–20 minutes

20–30 minutes

More than 30 minutes

Where do you usually study or revise?

Bedroom

Living room

Kitchen table

Library or study centre

Different places

How often do you have access to a computer, tablet or phone for studying?

Every day

Most days

Some days

Rarely

How often do you already do extra studying beyond homework?

Every day

A few times a week

Once a week

Rarely or never

YOUR GOALS AND MOTIVATION

What do you want to improve the most this year? (Choose up to 3.)

Exam technique and timing

Writing strong exam-style answers

Understanding difficult topics

Memorising key facts and definitions
Mathematical and problem-solving skills
Science application and analysis
Organisation and time management
Confidence during exams

Why do you want to use the Supercurriculum AI Tutor?

To improve my grades
To understand school topics better
To explore additional topics
To practise difficult subjects
To prepare for exams effectively

What type of support do you want most from your AI Tutor?

Clear explanations
Worked examples
Short quizzes
Revision strategies
Extension and enrichment tasks

How do you feel when schoolwork becomes very difficult?

I feel stressed and want to stop
I feel worried but keep trying
I ask for help quickly
I push through because I like challenges

How do you feel when work is very easy?

I get bored quickly
I feel comfortable
I want more challenging work
I finish fast and move on

How motivated do you feel about your GCSE / IGCSE exams?

Very motivated
Quite motivated
Somewhat motivated
Not very motivated

YEAR 12 – GENERAL QUESTIONNAIRE (Supercurriculum – AS Level)

ABOUT YOU

What is your name?

Short text.

How old are you?

16

17

18

Which class are you in?

Year 12A

Year 12B

Year 12C

Other

What languages do you speak at home? (Choose more than one if needed.)

English

Greek

Albanian

Arabic

Russian

Other

How confident do you feel about starting or continuing your AS subjects?

Very confident

Quite confident

A bit unsure

Not confident

HOW YOU LEARN

How do you usually learn best?

Watching videos or online lectures

Reading textbooks, notes or articles

Doing practice questions and past papers

Listening to explanations (teacher, tutor, podcasts)

Discussing ideas with others

Working alone in a quiet place

What helps you understand difficult concepts?

Clear, step-by-step explanations

Visuals (diagrams, graphs, mind maps)

Worked examples with full solutions

Trying questions myself with hints

Hearing the idea explained in different ways

What makes learning harder for you sometimes?

Very long or dense texts

Fast explanations with little time to think

Too many topics at once

Remembering formulas, definitions or quotes

Getting distracted or losing focus

When you do not understand something, what do you want the AI Tutor to do first?

Give a small hint

Show a similar worked example

Explain it in simpler language

Give a full, detailed explanation

Ask guiding questions to help me think

How do you feel about working with others?

I like group work and discussion

I prefer working in pairs

I prefer working alone

It depends on the subject and people

WHAT YOU STUDY AND ENJOY

Which AS subjects are you studying this year? (Select all that apply.)

AS English Language

AS English Literature

AS Mathematics

AS Biology

AS Chemistry

AS Physics

AS History

AS Geography

AS Psychology

AS Business

AS Economics

AS Sociology

AS Religious Studies

AS Modern Languages (for example, Spanish, French, Greek, other)

Other

Which subjects do you enjoy the most? (Choose up to 3.)

English Language

English Literature

Mathematics

Biology

Chemistry

Physics

History

Geography

Psychology

Business

Economics

Sociology

Religious Studies

Modern Languages

Which subjects do you find most challenging? (Choose up to 3.)

English Language

English Literature
Mathematics
Biology
Chemistry
Physics
History
Geography
Psychology
Business
Economics
Sociology
Religious Studies
Modern Languages

What kinds of activities do you enjoy most in your learning?

Independent research and reading
Analysing texts, data or case studies
Solving challenging problems
Experiments, investigations and projects
Debates, discussions and presentations
Quizzes, short tests and competitions

What kind of tasks do you prefer for Supercurriculum?

Short, focused tasks (quick practice)
Medium-length tasks (about 20–30 minutes)
Longer projects over several days or weeks
A mix of short, medium and long tasks

STUDY PREFERENCES

When do you prefer to do Supercurriculum and extra study?

After school
Early evening
Late evening
Weekends
A little bit each day

How long can you usually concentrate before needing a break?

15 minutes
20 minutes
25–30 minutes
35–45 minutes
More than 45 minutes

How challenging do you want most tasks to be?

Mostly easy, to build confidence

Medium difficulty, manageable with effort

Quite challenging, to push my level

A mix of easy, medium and hard tasks

What type of explanation helps you most?

Very short summary

Medium explanation with main points

Full, detailed explanation

Explanation with diagrams and visuals

Explanation with fully worked examples

How do you prefer the AI Tutor to handle your mistakes?

Show the correct answer

Give a hint so I can correct it

Show where I went wrong, then let me retry

Ask guiding questions to lead me to the answer

How do you prefer the AI Tutor to guide your study?

Daily small tasks

Weekly structured study plan

Topic-by-topic suggestions

Exam-paper-focused practice

A flexible mix depending on my progress

YOUR STUDY TIME

How many days per week can you realistically do Supercurriculum work?

1 day

2 days

3 days

4 days

5 or more days

On those days, how much time do you usually have for Supercurriculum?

5–10 minutes

10–20 minutes

20–30 minutes

30–45 minutes

More than 45 minutes

Where do you usually study or revise?

In my bedroom

In a shared space at home

At a library or study centre

At school after lessons

Different places

How often do you have access to a computer, tablet or phone for studying?

Every day

Most days

Some days

Rarely

How often do you already do extra study beyond homework?

Every day

A few times a week

About once a week

Rarely or never

GOALS, EXAMS AND FUTURE PLANS

What do you want to improve most this year? (Choose up to 3.)

Understanding difficult topics in my AS subjects

Exam technique and timing

Writing strong exam-style answers and essays

Analysing and evaluating information

Mathematical and problem-solving skills

Organisation, planning and time management

Confidence when speaking or presenting

Managing stress and workload

Why do you want to use the Supercurriculum AI Tutor?

To improve my AS grades

To understand course content more deeply

To explore topics beyond the syllabus

To get extra practice in weaker subjects

To prepare for Year 13 and A Level exams

What type of support do you want most from your AI Tutor?

Clear explanations of concepts

Worked examples and model answers

Short quizzes and checks for understanding
Revision strategies and study plans
Extension and enrichment activities

How do you feel when work is very difficult?
I feel stressed and want to stop
I feel worried but I keep trying for a while
I ask for help or change strategy
I see it as a challenge and push myself

How do you feel when work is very easy?
I get bored quickly
I feel relaxed and comfortable
I want more demanding tasks
I just finish it fast and move on

How motivated do you feel about your AS studies and future exams?
Very motivated
Quite motivated
Somewhat motivated
Not very motivated

YEAR 13 – GENERAL QUESTIONNAIRE (Supercurriculum – A Level)

ABOUT YOU

What is your name?
Short text.

How old are you?

17
18
19

Which class are you in?

Year 13A
Year 13B
Year 13C
Other

What languages do you speak at home? (Choose more than one if needed.)

English
Greek

Albanian
Arabic
Russian
Other

How confident do you feel about your A Level courses this year?

Very confident
Quite confident
A bit unsure
Not confident

How confident do you feel about your final exams (A Level or equivalent)?

Very confident
Quite confident
A bit unsure
Not confident

HOW YOU LEARN

How do you usually learn best?

Watching videos or online lectures
Reading textbooks, notes or articles
Doing practice questions and past papers
Listening to explanations (teacher, tutor, podcasts)
Discussing ideas with others
Working alone in a quiet place

What helps you understand difficult concepts?

Clear, step-by-step explanations
Diagrams, graphs, tables and mind maps
Worked examples with full solutions
Trying questions myself with hints and feedback
Hearing the idea explained in different ways

What makes learning more difficult for you sometimes?

Very long or dense texts

Fast explanations with little time to process
Too many topics at the same time
Remembering formulas, definitions or quotes
Stress, tiredness or lack of focus

When you do not understand something, what do you prefer the AI Tutor to do first?

Give a small hint
Show a similar worked example
Explain it more simply
Give a full, detailed explanation
Ask guiding questions to help me think it through

How do you feel about working with others?
I learn a lot from group work and discussion
I sometimes like group work but not always
I prefer working with one study partner
I prefer working alone

GOALS, EXAMS AND FUTURE PLANS

What do you want to improve most this year? (Choose up to 3.)

- Deep understanding of A Level content
- Exam technique and timing
- Essay writing and extended responses
- Analysing and evaluating information
- Mathematical and problem-solving skills
- Organisation, planning and time management
- Confidence when speaking, presenting or in interviews
- Managing stress, workload and well-being

Why do you want to use the Supercurriculum AI Tutor?

- To improve my A Level grades
- To understand my subjects more deeply
- To explore topics beyond the specification
- To get extra practice in weaker areas
- To prepare for university or further study

What type of support do you want most from your AI Tutor?

- Clear explanations of difficult concepts
- Worked examples and model answers
- Short quizzes and progress checks
- Revision strategies, plans and timelines
- Extension and enrichment tasks at a higher level

What are you mainly planning to do after Year 13?

- University
- College or further training
- Apprenticeship
- Work or starting a job
- Not sure yet

How important are your A Level results for your future plans?

- Very important
- Quite important
- Somewhat important
- Not very important

How motivated do you feel about your A Level studies and future goals right now?

- Very motivated
- Quite motivated
- Somewhat motivated
- Not very motivated
