

SUPER CURRICULUM ACTIVITIES

year6

Why Supercurriculum Matters in Year 6 English

Supercurriculum activities in English give Year 6 pupils the chance to stretch beyond classroom texts, develop a love of literature, and refine their writing and communication. They strengthen vocabulary, critical thinking, and creativity—skills that prepare pupils for SATs and for the challenges of secondary school.

Year 6 English Supercurriculum

Reading

1. Read *Alice's Adventures in Wonderland* by Lewis Carroll – <https://www.gutenberg.org/ebooks/11>
2. Explore myths and legends from around the world – <https://worldoftales.com/>
3. BBC Bitesize: Analysing poetry – <https://www.bbc.co.uk/bitesize/topics/z4mmn39>
4. Access free classic novels (Project Gutenberg children's bookshelf) – [https://www.gutenberg.org/wiki/Children%27s_Bookshelf_\(Bookshelf\)](https://www.gutenberg.org/wiki/Children%27s_Bookshelf_(Bookshelf))
5. National Geographic Kids articles for non-fiction reading – <https://kids.nationalgeographic.com/>

Writing

1. Use Pobble365 to respond to daily writing prompts – <https://www.pobble365.com>
2. Enter the Young Writers competitions (free online prompts) – <https://www.youngwriters.co.uk/competitions>
3. Practise creative writing with Writing Sparks – <https://writingsparks.com>
4. Explore BBC Bitesize KS2 writing resources – <https://www.bbc.co.uk/bitesize/topics/zpccwmn>
5. Create poems using Poetry4kids generators – <https://www.poetry4kids.com/poetry-generator/>

Listening

1. Listen to *The Secret Garden* audiobook – <https://librivox.org/the-secret-garden-by-frances-hodgson-burnett/>
2. Storynory free audiobooks & myths – <https://www.storynory.com>
3. BBC School Radio "Talking Stories" – <https://www.bbc.co.uk/teach/school-radio/english-ks2-talking-stories/zn447nb>

4. Brains On! science podcast (great for listening comprehension) – <https://www.brainson.org/>
5. NewsForKids podcast – <https://newsforkids.net>

Watching

1. BBC Bitesize KS2 English video lessons – <https://www.bbc.co.uk/bitesize/subjects/zv48q6f>
2. TED-Ed: *Why should you read Shakespeare?* – <https://ed.ted.com/lessons/why-should-you-read-shakespeare-iqbal-khan>
3. National Literacy Trust storytelling videos – <https://literacytrust.org.uk/family-zone/storytelling/>
4. Khan Academy grammar videos – <https://www.khanacademy.org/humanities/grammar>
5. British Council LearnEnglish Kids video stories – <https://learnenglishkids.britishcouncil.org/video-zone>

This gives a balance of fiction, non-fiction, creative writing, comprehension, and analysis, with free resources suitable for Year 6.

Would you like me to now prepare the **Year 6 Mathematics Supercurriculum** in the same style?

MATHEMATICS

Why Supercurriculum Matters in Year 6 Mathematics

Supercurriculum activities in Mathematics challenge Year 6 pupils to see maths as more than just numbers on a page. They encourage logical reasoning, problem-solving, and curiosity, helping pupils apply maths to the real world and preparing them for the transition to secondary school.

Year 6 Mathematics Supercurriculum

Reading

1. Explore BBC Bitesize KS2 Maths topics – <https://www.bbc.co.uk/bitesize/subjects/z826n39>
2. Read “Math in Daily Life” (Annenberg) – <https://www.learner.org/series/math-in-daily-life/>
3. Puzzles and maths challenges for kids – <https://www.mathsisfun.com/puzzles/>
4. Read about famous mathematicians – <https://mathshistory.st-andrews.ac.uk/Biographies/>
5. Fibonacci and the golden ratio in nature – <https://www.mathsisfun.com/numbers/nature-golden-ratio-fibonacci.html>

Writing

1. Keep a maths journal: explain how you solved a challenging problem.
2. Write your own word problem and share it with a classmate.
3. Create a fact sheet about a famous mathematician using <https://mathshistory.st-andrews.ac.uk/Biographies/>
4. Write a reflection on how maths is used in your daily life (link with <https://www.learner.org/series/math-in-daily-life/>).
5. Summarise a BBC Bitesize maths topic in your own words – <https://www.bbc.co.uk/bitesize/subjects/z826n39>

Listening

1. Listen to “KidsMathTalk” podcast – <https://www.kidsmathstalk.com/podcast>
2. Numberphile podcast (with adult guidance for harder topics) – <https://www.numberphile.com/podcast>
3. BBC School Radio maths songs – <https://www.bbc.co.uk/teach/school-radio/maths-times-tables-music/zr4yt39>
4. Brains On! podcast episodes about patterns and numbers – <https://www.brainson.org/>
5. Math Mutation podcast (short maths stories) – <http://www.mathmutation.com/>

Watching

1. BBC Bitesize KS2 Maths clips – <https://www.bbc.co.uk/bitesize/subjects/z826n39>
2. Khan Academy maths videos – <https://www.khanacademy.org/math>
3. Numberphile YouTube videos (e.g. prime numbers) – <https://www.youtube.com/user/numberphile>
4. TED-Ed: “The Infinite Hotel Paradox” – <https://ed.ted.com/lessons/the-infinite-hotel-paradox-jeff-dekofsky>
5. Math Antics YouTube channel (clear explanations) – <https://www.youtube.com/user/mathantics>

SCIENCE

Why Supercurriculum Matters in Year 6 Science

Supercurriculum activities in Science help Year 6 pupils think like young scientists—asking questions, investigating evidence, and connecting learning to real-life issues. They build curiosity, problem-solving, and critical thinking, preparing pupils for secondary school science and a deeper understanding of the world.

Year 6 Science Supercurriculum

Reading

1. BBC Bitesize KS2 Science topics – <https://www.bbc.co.uk/bitesize/subjects/z2pfb9q>
2. NASA Climate Kids articles – <https://climatekids.nasa.gov/>
3. National Geographic Kids science section – <https://kids.nationalgeographic.com/science>
4. Explore how the human body works (DK Find Out) – <https://www.dkfindout.com/uk/human-body/>
5. Royal Society of Chemistry “Experiments and Fun Facts” – <https://edu.rsc.org/experiments>

Writing

1. Keep a **science experiment diary**: predict → test → result → conclusion.
2. Write a fact file on your favourite planet using NASA Space Place – <https://spaceplace.nasa.gov/planets/en/>
3. Create a leaflet explaining climate change for children – <https://climatekids.nasa.gov/climate-change/>
4. Write three “What if...?” science questions (e.g., *What if gravity was weaker?*) and research possible answers.
5. Summarise a BBC Bitesize Science article in your own words – <https://www.bbc.co.uk/bitesize/subjects/z2pfb9q>

Listening

1. Brains On! Science podcast for kids – <https://www.brainson.org/>
2. Tumble Science podcast – <https://www.sciencepodcastforkids.com/>
3. NASA's Curious Universe podcast – <https://www.nasa.gov/podcasts/curious-universe/>
4. Wow in the World (NPR Kids Science) – <https://tinkercast.com/shows/wow-in-the-world/>
5. BBC School Radio Science clips – <https://www.bbc.co.uk/teach/school-radio/science-ks2/zrqj8xs>

Watching

1. BBC Bitesize Science video clips – <https://www.bbc.co.uk/bitesize/subjects/z2pfb9q>
2. SciShow Kids YouTube channel – <https://www.youtube.com/user/scishowkids>
3. National Geographic Kids science videos – <https://www.youtube.com/user/NatGeoKids>
4. NASA Space Place videos – <https://spaceplace.nasa.gov/menu/videos/>
5. TED-Ed Science lessons – <https://ed.ted.com/lessons?category=science-technology>

COMPUTING

Why Supercurriculum Matters in Year 6 Computing

Supercurriculum activities in Computing help Year 6 pupils become confident digital creators, not just users of technology. They encourage logical thinking, coding, creativity, and safe online behaviour—skills that are essential for secondary school and the digital world.

Year 6 Computing (ICT) Supercurriculum

Reading

1. BBC Bitesize KS2 Computing topics – <https://www.bbc.co.uk/bitesize/subjects/zvnrq6f>
2. Kids Kiddle: History of computers – https://kids.kiddle.co/History_of_computers
3. Code.org resources – <https://code.org/learn>
4. DK Find Out: Computers and coding – <https://www.dkfindout.com/uk/computers-and-coding/>
5. Childnet: Online safety for kids – <https://www.childnet.com/young-people/primary>

Writing

1. Write a simple **algorithm** for a daily routine (step-by-step instructions).
2. Create a guide for younger pupils about **staying safe online** – https://www.thinkuknow.co.uk/8_10/
3. Write a diary entry from the perspective of a computer or robot.
4. Summarise what you learned from BBC Bitesize Computing – <https://www.bbc.co.uk/bitesize/subjects/zvnrq6f>
5. Plan and describe a new computer game idea (characters, rules, levels).

Listening

1. KidsLab Podcast (STEM, coding, making) – <https://kidslab.dev/>
2. CodeNewbie Podcast (stories from programmers) – <https://www.codenewbie.org/podcast>
3. Brains On! episode on technology – <https://www.brainson.org/>
4. TED Talks Daily (selected tech episodes) – <https://www.ted.com/podcasts/ted-talks-daily>
5. “Tech Talk for Kids” podcast – <https://player.fm/series/tech-talk-for-kids>

Watching

1. Scratch tutorials for kids – <https://www.youtube.com/user/ScratchTeam>
2. BBC Bitesize Computing video clips – <https://www.bbc.co.uk/bitesize/subjects/zvnrq6f>
3. Hour of Code activities – <https://hourofcode.com/uk/learn>
4. Crash Course Computer Science for beginners – <https://www.youtube.com/playlist?list=PL8dPuuaLjXtOfse2ncvfffeelTrqvHR8kC>
5. CS Unplugged activities (computing without a computer) – <https://csunplugged.org/en/>

HISTORY

Why Supercurriculum Matters in Year 6 History

Supercurriculum activities in History give Year 6 pupils the chance to think like historians—exploring sources, questioning evidence, and connecting past events to the present. They strengthen curiosity, critical thinking, and understanding of how history shapes our world today.

Year 6 History Supercurriculum

Reading

1. BBC Bitesize KS2 History – <https://www.bbc.co.uk/bitesize/subjects/zkqmhyc>
2. British Museum “Young Explorers” – <https://www.britishmuseum.org/learn/young-explorers>
3. Kiddle: World War II explained for kids – https://kids.kiddle.co/World_War_II
4. DK Find Out: Ancient Greece – <https://www.dkfindout.com/uk/history/ancient-greece/>
5. National Geographic Kids: Ancient Civilisations – <https://kids.nationalgeographic.com/history>

Writing

1. Write a diary entry from the perspective of a World War II evacuee (use https://kids.kiddle.co/World_War_II).
2. Create a fact file on a famous historical leader (use <https://www.bbc.co.uk/bitesize/subjects/zkqmhyc>).
3. Write a newspaper report on the Great Fire of London – <https://www.bbc.co.uk/bitesize/topics/z7d7gwx/articles/zhgxcqt>
4. Compare Ancient Greece and modern Britain in a short essay – <https://www.dkfindout.com/uk/history/ancient-greece/>
5. Write three interview questions you would ask an archaeologist about Ancient Egypt – <https://www.dkfindout.com/uk/history/ancient-egypt/>

Listening

1. History Storytime podcast for kids – <https://www.historystorytime.com/>
2. Bedtime History podcast – <https://bedtimehistorystories.com/>
3. The Past and The Curious podcast – <https://thepastandthecurious.com/>
4. Horrible Histories songs & clips (BBC) –
<https://www.bbc.co.uk/cbbc/shows/horrible-histories>
5. BBC School Radio history stories –
<https://www.bbc.co.uk/programmes/boospgxz>

Watching

1. BBC Bitesize KS2 History videos –
<https://www.bbc.co.uk/bitesize/subjects/zkqmhyc>
2. Horrible Histories TV clips (CBBC) –
<https://www.bbc.co.uk/cbbc/shows/horrible-histories>
3. National Geographic Kids history videos –
<https://www.youtube.com/user/NatGeoKids>
4. Timeline for Kids history documentaries –
<https://www.youtube.com/c/Timeline-WorldHistoryDocumentaries>
5. TED-Ed animated history lessons –
<https://ed.ted.com/lessons?category=history>

GEOGRAPHY

Why Supercurriculum Matters in Year 6 Geography

Supercurriculum activities in Geography help Year 6 pupils explore the world beyond their classroom walls. They develop curiosity about people, places, and environments, building awareness of global challenges and encouraging responsible citizenship for the future.

Year 6 Geography Supercurriculum

Reading

1. BBC Bitesize KS2 Geography topics – <https://www.bbc.co.uk/bitesize/subjects/zbkw2hv>
2. National Geographic Kids: Countries & Cultures – <https://kids.nationalgeographic.com/>
3. Kiddle: Climate change explained for children – https://kids.kiddle.co/Climate_change
4. DK Find Out: Volcanoes and earthquakes – <https://www.dkfindout.com/uk/earth/volcanoes/>
5. NASA Climate Kids: Earth and environment – <https://climatekids.nasa.gov/>

Writing

1. Write a fact file on a country of your choice using National Geographic Kids – <https://kids.nationalgeographic.com/countries>
2. Create a weather report script after exploring NASA Climate Kids – <https://climatekids.nasa.gov/weather-climate/>
3. Compare two different biomes (e.g., desert vs rainforest) – <https://www.bbc.co.uk/bitesize/topics/z849q6f>
4. Write a persuasive piece about protecting the Amazon rainforest – <https://www.worldwildlife.org/places/amazon>
5. Keep a diary entry describing life near a volcano after reading DK Find Out – <https://www.dkfindout.com/uk/earth/volcanoes/>

Listening

1. Brains On! podcast episodes about the Earth – <https://www.brainson.org/>
2. Tumble science podcast: Earth & environment stories – <https://www.sciencepodcastforkids.com/>
3. BBC Earth Kids soundscapes – <https://www.bbcearth.com/kids>
4. Map Men podcast (geography with humour, age-appropriate episodes) – <https://mapmen.co.uk/>
5. Wow in the World podcast: Earth and nature episodes – <https://tinkercast.com/shows/wow-in-the-world/>

Watching

1. BBC Bitesize KS2 Geography videos – <https://www.bbc.co.uk/bitesize/subjects/zbkw2hv>
2. National Geographic Kids YouTube channel – <https://www.youtube.com/user/NatGeoKids>
3. NASA Climate Kids animations – <https://climatekids.nasa.gov/menu/>
4. Earthquake and volcano clips (DK Find Out) – <https://www.dkfindout.com/uk/earth/volcanoes/>
5. BBC Earth Kids “Blue Planet” short videos – <https://www.bbcearth.com/kids>

ART & DESIGN

Why Supercurriculum Matters in Year 6 Art & Design

Supercurriculum activities in Art & Design help Year 6 pupils explore creativity beyond the classroom. They encourage children to experiment with new materials, learn about different artists and cultures, and use art as a way to express themselves and their ideas.

Year 6 Art & Design Supercurriculum

Reading

1. Tate Kids artist profiles – <https://www.tate.org.uk/kids/explore>
2. National Gallery learning resources – <https://www.nationalgallery.org.uk/learning/primary-schools/kids>
3. Kids Konnect: Famous paintings explained – <https://kidskonnect.com/history/famous-paintings/>
4. The Art Story – learn about artists and movements – <https://www.theartstory.org/artists/>
5. Canva: Colour theory explained – <https://www.canva.com/colors/color-wheel/>

Writing

1. Keep an art journal: sketch and write reflections about your drawings.
2. Write a short biography of your favourite artist after reading Tate Kids – <https://www.tate.org.uk/kids/explore>
3. Review a painting you like from the National Gallery – <https://www.nationalgallery.org.uk/paintings>
4. Write instructions for making a simple artwork (like a step-by-step guide).
5. Create a poem inspired by an artwork you admire.

Listening

1. Art Detective podcast episodes – <https://artuk.org/discover/stories/the-art-uk-podcast-art-matters>
2. BBC Radio 4 “The Art of ...” (child-appropriate clips) – <https://www.bbc.co.uk/programmes/p07rotp3/episodes/downloads>
3. Kids Ask Authors (with illustrators) – <https://kidsaskauthors.com/podcast/>
4. National Gallery audio tours – <https://www.nationalgallery.org.uk/audio>
5. ArtCurious podcast stories – <https://www.artcuriouspodcast.com/>

Watching

1. Tate Kids “Make” art tutorials – <https://www.tate.org.uk/kids/make>
2. BBC Bitesize KS2 Art & Design video clips – <https://www.bbc.co.uk/bitesize/subjects/zy6rk7h>
3. National Gallery art lessons – <https://www.youtube.com/user/nationalgalleryuk>
4. MoMA Learning videos – https://www.moma.org/learn/moma_learning/
5. Art for Kids Hub step-by-step drawing – <https://www.youtube.com/user/ArtforKidsHub>

DESIGN AND TECHNOLOGY

Why Supercurriculum Matters in Year 6 Design & Technology

Supercurriculum activities in DT give Year 6 pupils opportunities to design, invent, and solve problems in creative ways. They encourage innovation, resilience, and teamwork, while showing how design and engineering shape the world around us.

Year 6 Design & Technology (DT) Supercurriculum

Reading

1. BBC Bitesize KS2 DT topics –
<https://www.bbc.co.uk/bitesize/subjects/zb9d7ty>
2. Design Museum learning resources –
<https://designmuseum.org/learning/for-children-and-young-people>
3. NASA JPL: Engineering Design Process –
<https://www.jpl.nasa.gov/edu/teach/activity/engineering-design-process/>
4. DK Find Out: Materials and structures –
<https://www.dkfindout.com/uk/science/materials/>
5. Explain That Stuff: Simple machines –
<https://www.explainthatstuff.com/simplemachines.html>

Writing

1. Write a **design brief** for a gadget that could help in your classroom.
2. Keep a **design diary** showing sketches and notes as you test an idea.
3. Write step-by-step instructions for making a simple paper prototype (see inspiration here) –
<https://www.bbc.co.uk/bitesize/topics/zkgcwmn/articles/z8t3r2p>
4. Create a fact file about a famous inventor from the Design Museum –
<https://designmuseum.org/learning/for-children-and-young-people>
5. Write a review of a Dyson Challenge Card project you try –
<https://www.jamesdysonfoundation.co.uk/resources/challenge-cards.html>

Listening

1. Tumble science podcast: engineering episodes – <https://www.sciencepodcastforkids.com/>
2. Brains On! – invention and engineering themed stories – <https://www.brainson.org/>
3. Wow in the World – design and innovation topics – <https://tinkercast.com/shows/wow-in-the-world/>
4. Engineering Matters (child-appropriate episodes) – <https://engineeringmatters.reby.media/>
5. KidsLab podcast (STEM, coding, robotics) – <https://kidslab.dev/>

Watching

1. PBS Kids Design Squad Global – <https://pbskids.org/designsquad/>
2. BBC Bitesize DT video clips – <https://www.bbc.co.uk/bitesize/subjects/zb9d7ty>
3. Dyson Foundation Challenge Cards in action – <https://www.jamesdysonfoundation.co.uk/resources/challenge-cards.html>
4. Crash Course Kids: Engineering videos – https://www.youtube.com/playlist?list=PL8dPuuaLjXtNoge7yDk_UAoldZJd_hwkoV
5. Exploratorium Tinkering Studio – <https://tinkering.exploratorium.edu/>

MUSIC

Why Supercurriculum Matters in Year 6 Music

Supercurriculum activities in Music help Year 6 pupils develop creativity, confidence, and appreciation for different styles of music. They encourage listening, performing, and composing skills, while showing how music connects cultures, emotions, and history.

Year 6 Music Supercurriculum

Reading

1. BBC Bitesize KS2 Music guides – <https://www.bbc.co.uk/bitesize/subjects/zwxhfg8>
2. Classics for Kids: Composer biographies – <https://www.classicsforkids.com/composers.html>
3. DK Find Out: Music and instruments – <https://www.dkfindout.com/uk/music/>
4. Carnegie Hall Kids: Explore instruments – <https://www.carnegiehall.org/Education/Kids>
5. Kids Music Corner: instruments explained – <https://www.kidsmusiccorner.co.uk/>

Writing

1. Keep a **music listening diary**: write how different pieces of music make you feel.
2. Write a short review of your favourite song or performance.
3. Create your own set of lyrics to a well-known tune.
4. Write a fact file about a famous composer from <https://www.classicsforkids.com/composers.html>
5. Describe the sounds of an orchestra and label the sections (strings, woodwind, brass, percussion).

Listening

1. Classics for Kids radio shows – <https://www.classicsforkids.com/listen/>
2. BBC Ten Pieces music clips – <https://www.bbc.co.uk/teach/ten-pieces/classical-music-primary-level/z6rcbdm>
3. Carnegie Hall Kids listening activities – <https://www.carnegiehall.org/Education/Kids>
4. Storynory “Classical Music Stories” – <https://www.storynory.com/category/classic-music/>
5. San Francisco Symphony Kids listening games – <https://www.sfsymphony.org/Discover/Learn/Kids>

Watching

1. BBC Bitesize KS2 Music video clips – <https://www.bbc.co.uk/bitesize/subjects/zwxhfg8>
2. BBC Ten Pieces films – <https://www.bbc.co.uk/programmes/articles/2c8joxsYnM8V1DHZlogkS3G/primary-films>
3. Philharmonia Orchestra instrument videos – <https://philharmonia.co.uk/resources/instruments/>
4. San Francisco Symphony Kids interactive site – <https://www.sfskids.org/>
5. Music theory lessons for beginners (Michael New, YouTube) – <https://www.youtube.com/user/michaelnew>

PHYSICAL EDUCATION

Why Supercurriculum Matters in Year 6 PE

Supercurriculum activities in PE give Year 6 pupils opportunities to stay active, develop teamwork, and build resilience beyond scheduled lessons. They encourage healthy lifestyle choices, improve fitness, and promote lifelong enjoyment of sport and movement.

Year 6 Physical Education (PE) Supercurriculum

Reading

1. BBC Bitesize: Health, fitness and exercise – <https://www.bbc.co.uk/bitesize/topics/z2bbgk7>
2. KidsHealth: Why exercise is important – <https://kidshealth.org/en/kids/work-it-out.html>
3. Youth Sport Trust resources for young people – <https://www.youthsporttrust.org/resources>
4. Change4Life healthy eating advice – <https://www.nhs.uk/change4life>
5. DK Find Out: Sports and the body – <https://www.dkfindout.com/uk/sports/>

Writing

1. Keep a **fitness log**: record daily activity, duration, and how it made you feel.
2. Write the rules for a new playground or team game you invent.
3. Create a one-week **healthy lifestyle plan** (exercise, food, rest).
4. Write a short biography of a sporting role model after researching them online.
5. Reflect on the role of teamwork in sport after reading <https://www.youthsporttrust.org/resources>

Listening

1. GoNoodle movement songs – <https://www.gonoodle.com/>
2. BBC School Radio “Time to Move” – <https://www.bbc.co.uk/programmes/b03g64pm>
3. KidsHealth fitness audio – <https://kidshealth.org/en/kids/work-it-out.html>
4. Yoga Kids Stories short guided sessions – <https://www.yogakidsstories.com/podcast/>
5. Just Dance Kids playlists (YouTube) – <https://www.youtube.com/user/justdancegame>

Watching

1. BBC Bitesize PE and sport clips – <https://www.bbc.co.uk/bitesize/topics/z2bbgk7>
2. Cosmic Kids Yoga – <https://www.youtube.com/user/CosmicKidsYoga>
3. PE with Joe (Body Coach TV) – <https://www.youtube.com/user/thebodycoach1>
4. Just Dance Kids videos – <https://www.youtube.com/user/justdancegame>
5. GoNoodle guided movement activities – <https://www.youtube.com/user/GoNoodleGames>

RELIGIOUS EDUCATION

Why Supercurriculum Matters in Year 6 RE

Supercurriculum activities in RE help Year 6 pupils deepen their understanding of different beliefs and values. They promote respect, empathy, and critical thinking, preparing children to live in a diverse society with curiosity and tolerance.

Year 6 Religious Education (RE) Supercurriculum

Reading

1. BBC Bitesize KS2 RE overview – <https://www.bbc.co.uk/bitesize/subjects/z7hs34j>
2. RE:Quest – Christianity explained for children – <https://request.org.uk/>
3. DK Find Out: Religions of the world – <https://www.dkfindout.com/uk/society/religion/>
4. Kids Britannica: Islam – <https://kids.britannica.com/kids/article/Islam/353912>
5. Jewish Virtual Library (Judaism for kids) – <https://www.jewishvirtuallibrary.org/judaism-for-kids>

Writing

1. Write a diary entry imagining a day in the life of a child from another religion.
2. Create a fact sheet about a place of worship after exploring BBC Bitesize – <https://www.bbc.co.uk/bitesize/topics/znk647h>
3. Write a comparison of two festivals (e.g., Easter and Diwali) using DK Find Out – <https://www.dkfindout.com/uk/society/religion/>
4. Write your own version of a “Golden Rule” after reading about different values – <https://www.bbc.co.uk/bitesize/topics/znk647h/articles/zf6p382>
5. Summarise the symbols of one religion after exploring – <https://www.bbc.co.uk/bitesize/topics/znk647h/articles/zm4kxfr>

Listening

1. BBC School Radio assemblies – <https://www.bbc.co.uk/programmes/bo3g6vxh>
2. Hymns and worship songs for children – <https://www.bbc.co.uk/teach/school-radio/music-ks2-hymns-collection/z48gwtv>
3. Storynory: Bible and myth stories – <https://www.storynory.com/category/bible/>
4. RE Podcast for Kids – <https://open.spotify.com/show/oYeYpXhZftV9S8FQm3GQim>
5. Peace Out mindfulness podcast (themes of kindness and reflection) – <https://bedtime.fm/peaceout>

Watching

1. BBC Teach RE video clips – <https://www.bbc.co.uk/teach/ks2-re/z6pbqp3>
2. BBC Bitesize: Diwali explained – <https://www.bbc.co.uk/bitesize/topics/zh86n39/articles/zmpp92p>
3. The story of Rama and Sita (BBC) – <https://www.bbc.co.uk/programmes/articles/1sDPb5dBjhoTdnZC5b7Hgqv/the-story-of-rama-and-sita>
4. BBC Teach: My Life, My Religion (Islam) – <https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-my-life-my-religion-muslim/zndfcqt>
5. Religion for Kids (Judaism overview) – <https://www.youtube.com/watch?v=73XDjE6Ruws>

ENGLISH AS A SECOND LANGUAGE

Why Supercurriculum Matters in Year 6 ESL

Supercurriculum activities in ESL help Year 6 pupils strengthen their English beyond the classroom, boosting confidence in reading, writing, listening, and speaking. They prepare learners for the demands of secondary school while making English engaging and practical.

Year 6 ESL Supercurriculum

Reading

1. British Council LearnEnglish Kids short stories – <https://learnenglishkids.britishcouncil.org/short-stories>
2. Oxford Owl free eBook library – <https://www.oxfordowl.co.uk/for-home/library-page>
3. News for Kids – simple news in English – <https://newsforkids.net>
4. Storyberries bilingual stories (English + other languages) – <https://www.storyberries.com>
5. ESL Fast children's reading passages – <https://www.eslfast.com/kidsenglish/ke/ke/ke.htm>

Writing

1. Use Pobble365 for daily writing prompts – <https://www.pobble365.com>
2. Practise sentence writing with ESL Fast – <https://www.eslfast.com/kidsenglish/ke/ke/ke.htm>
3. Write a short paragraph about “My Favourite Place” with help from British Council worksheets – <https://learnenglishkids.britishcouncil.org/worksheets>
4. Write a letter introducing yourself using sentence starters.
5. Create your own picture dictionary of new English words.

Listening

1. British Council Kids: Songs and chants – <https://learnenglishkids.britishcouncil.org/songs>
2. Storynory audiobooks – <https://www.storynory.com>
3. BBC School Radio “Words and Pictures” – <https://www.bbc.co.uk/programmes/boorrd6t>

SPANISH

Why Supercurriculum Matters in Year 6 Spanish

Supercurriculum activities in Spanish help pupils practise the language beyond the classroom, strengthening vocabulary, grammar, listening, and cultural awareness. They build confidence for real-life communication and prepare pupils for secondary school language learning.

Year 6 Spanish Supercurriculum

Reading

1. The Spanish Experiment – simple stories in Spanish with audio – <https://www.thespanishexperiment.com/stories>
2. BBC Bitesize KS2 Spanish – <https://www.bbc.co.uk/bitesize/subjects/zxsvr82>
3. Storyberries bilingual stories (English/Spanish) – <https://www.storyberries.com/tag/spanish/>
4. Duolingo Stories – free Spanish reading with audio – <https://stories.duolingo.com/>
5. Digital Dialects: Vocabulary games and lists – <https://www.digitaldialects.com/Spanish.htm>

Writing

1. Keep a weekly diary in Spanish with 3–4 sentences per entry.
2. Write a postcard in Spanish about a holiday (use prompts from BBC Bitesize) – <https://www.bbc.co.uk/bitesize/subjects/zxsvr82>
3. Practise spelling with Digital Dialects – <https://www.digitaldialects.com/Spanish/Spelling.htm>
4. Write a short description of your family and pets in Spanish.
5. Create a personal Spanish–English dictionary of 20 new words each week.

Listening

1. Spanish songs and chants (Spanish-Games.net) – <https://www.spanish-games.net/spanishsongs>
2. Rockalingua free songs – <https://rockalingua.com/songs>
3. BBC Bitesize Spanish listening activities – <https://www.bbc.co.uk/bitesize/subjects/zxsvr82>
4. The Spanish Experiment – listen to children's stories – <https://www.thespanishexperiment.com/stories>
5. Coffee Break Spanish podcast (intro episodes) – <https://coffeebreaklanguages.com/coffeebreakspanish/>

Watching

1. BBC Bitesize KS2 Spanish videos – <https://www.bbc.co.uk/bitesize/subjects/zxsvr82>
2. Rockalingua animated videos – <https://rockalingua.com/videos>
3. Calico Spanish YouTube channel – <https://www.youtube.com/user/CalicoSpanish>
4. Peppa Pig en Español (official channel) – <https://www.youtube.com/@PeppaPigEspanol>
5. Muzzy BBC Spanish (classic language learning series) – <https://www.youtube.com/watch?v=3o2WrodYOJk>

GREEK

Supercurriculum activities in Greek help pupils deepen their understanding of the language and culture. They strengthen reading, writing, listening, and speaking skills, while also connecting pupils to Greece's rich history, mythology, and traditions.

Year 6 Greek Supercurriculum

Reading

1. Greek myths retold for children – https://www.worldoftales.com/Greek_myths.html
2. Greek folktales (English & Greek versions) – <https://www.greekmyths-greekmythology.com/greek-myths-for-kids/>
3. Online children's Greek books (ICDL) – <http://www.childrenslibrary.org/icdl/SimpleSearchCategory?ilang=Greek>
4. Greek language resources for kids – <https://linguapedia.net/greek-resources-for-children/>
5. “Ta Nea Tw'n Paidiwn” children's newspaper in Greek – <https://www.tanea.gr/tag/%CF%84%CE%B1-%CE%BD%CE%AD%CE%B1-%CF%84%CF%89%CE%BD-%CF%80%CE%B1%CE%B9%CE%B4%CE%B9%CF%8E%CE%BD/>

Writing

1. Keep a **daily diary in Greek** (3–4 sentences about your day).
2. Practise the Greek alphabet and spelling using this lexicon tool – https://www.greeklanguage.gr/greekLang/modern_greek/tools/lexica/triantafyllidis/index.html
3. Write a paragraph describing your family in Greek.
4. Translate a short Greek myth into English and then back into Greek.
5. Create an illustrated mini-Greek-English dictionary with 20 new words.

Listening

1. Greek fairy tales read aloud – <https://paramythia.pblogs.gr/>
2. Children's Greek songs (Melissaki) – <https://www.melissaki.gr/paidika-tragoudia/>
3. Learn Greek online stories for kids – <https://learn-greek-online.com/children.html>
4. Storynory Greek myths (English audio with Greek context) – <https://www.storynory.com/tag/greek-myths/>
5. Simple dialogues and phrases in Greek – <https://www.filoglossia.com/>

Watching

2. Learn Greek with animations – <https://www.youtube.com/@learnGreekforChildren>
3. Mikres Istories (ERTflix children's programme) – <https://www.ertflix.gr/paidika/mikres-istories>
4. Greek language songs & rhymes – <https://www.youtube.com/@mikresistories>
5. Animated Greek mythology stories – <https://www.youtube.com/@GreekMythologyStories>

PSHE & CITIZENSHIP

Why Supercurriculum Matters in Year 6 PSHE & Citizenship

Supercurriculum activities help Year 6 pupils grow into confident, caring citizens—building resilience, empathy, and responsibility while practising real-life decision-making and community participation.

Year 6 PSHE & Citizenship

Reading

1. BBC Bitesize PSHE & Citizenship – <https://www.bbc.co.uk/bitesize/subjects/zqtnvcw>
2. Childline: Explore feelings & coping skills – <https://www.childline.org.uk/info-advice/your-feelings/>
3. Newsround: Children's news explained – <https://www.bbc.co.uk/newsround>
4. YoungMinds wellbeing guides – <https://www.youngminds.org.uk/young-person/>
5. UNICEF: Children's Rights (CRC) – <https://www.unicef.org/child-rights-convention>

Writing

1. Keep a weekly **wellbeing journal** (one success, one challenge, one goal).
2. Write a persuasive letter about a local issue using facts from Newsround – <https://www.bbc.co.uk/newsround>
3. Create a poster of your **top five rights** with UNICEF – <https://www.unicef.org/child-rights-convention>
4. Draft a class **kindness charter** (rules, examples, rewards).
5. Summarise one YoungMinds article in your own words – <https://www.youngminds.org.uk/young-person/>

Listening

1. Peace Out mindfulness podcast – <https://bedtime.fm/peaceout>
2. Brains On! episode(s) about emotions & friendship – <https://www.brainson.org/>
3. Childline **Calm Zone** audio activities – <https://www.childline.org.uk/toolbox/calm-zone/>
4. Wow in the World (kindness/character stories) – <https://tinkercast.com/shows/wow-in-the-world/>
5. BBC School Radio citizenship themes – <https://www.bbc.co.uk/programmes/p03pxhxr>

Watching

1. BBC Bitesize PSHE & Citizenship videos – <https://www.bbc.co.uk/bitesize/subjects/zqtnvcw>
2. Newsround special reports on children's issues – <https://www.bbc.co.uk/newsround>
3. World's Largest Lesson (UN Global Goals) – <https://worldslargestlesson.globalgoals.org/resources/>
4. Sesame Street clips on emotions & friendships – <https://www.youtube.com/user/SesameStreet>
5. TED-Ed: "How small acts of kindness can change the world" – <https://ed.ted.com/lessons/how-small-acts-of-kindness-can-change-the-world>
